

## Maintenance/Vineyard Position

We have an opportunity for a person to join a small team at one of Central Otago's biggest pinot noir vineyards, based in Alexandra.

This position will be responsible for maintaining trellis, frost fighting and irrigation to a high standard. During quieter times of the season, the position will involve canopy work as part of the rest of the team.

This position would suit a person who is practical, can work unsupervised and is willing to take responsibility for their work. Previous experience in a similar role would be beneficial, however it is not essential as full training will be given.

Please email your CV and cover letter to [work@ssco.co.nz](mailto:work@ssco.co.nz)
