

Seasonal Solutions Cooperative Ltd

Finance & Business Manager

***Are you looking for a
varied, challenging role –
something a bit different?***

We need someone with at least 3 years finance management experience who can manage end to end processes in finance, payroll and data analysis – among other things! This is a senior role in a small team requiring great communications skills, exceptional Excel abilities, willingness to learn as well as teach and a talent for managing multiple stakeholders. As accredited employers, we are required to meet stringent compliance standards and liaise closely with external auditors. Strategic thinking and forward planning capabilities are important as we navigate our way through the post Covid environment. A creative, solutions-based approach to problem solving and commitment to teamwork are must haves.

As a grower owned cooperative with shareholders in Otago, Marlborough and Canterbury working across fruit, vegetable and wine growing we provide seasonal staff including kiwis, backpackers and people working under the RSE scheme from a variety of Pacific countries.

If we can interest you in making change, supporting New Zealand and Pacific economies, enjoying variety, meeting some challenges along the way and contributing to our business in the future, just get in touch.
